PPUTRAJAYA, Aug 14 (Bernama) -- A total of 82,092 candidates have been offered places to pursue bachelor's degree programmes at 20 public universities (UA) this year, according to the Ministry of Higher Education (KPT). The ministry said the figure represents 76.10 per cent of the 107,875 applications eligible for undergraduate studies through UPUOnline, with a total of 1,146 bachelor's degree programmes offered for the session.

KPT said admissions were based on the principle of meritocracy, with eligible candidates ranked according to their merit scores from highest to lowest. For candidates who did not receive an offer, the ministry will provide a second opportunity through the UPUOnline appeal process, which is open for 10 days from noon on Aug 14 until 5 pm on Aug 23, 2026.
